Baldwin to Present at Conference in New York *10-Minute Webcast to be Available*

Shelton, CT, October 30, 2006 -- Baldwin Technology Company, Inc. (AMEX: BLD), a global leader in accessories and controls technology for the printing industry, announced today that Chairman and CEO Gerald Nathe will present at the Westergaard SmallCap Conference hosted by Paulson Investment Company, Inc. and Dutton Associates in New York City on Monday, Nov. 6.

Mr. Nathe will present to small, informal groups of investment professionals at various scheduled times throughout the day. The keynote speaker at the conference will be Lawrence Kudlow, CNBC commentator, host of "Kudlow & Company," and the author of "American Abundance: The New Economic and Moral Prosperity."

An abbreviated version of Baldwin's presentation will be webcast at 11:45 a.m. Eastern at http://www.corporate-ir.net/ireye/conflobby.zhtml?ticker=BLD&item_id=1401050. A replay will be available an hour later and thereafter.

About Baldwin

Baldwin Technology Company, Inc. is a leading international supplier of offset printing press accessories and controls for the newspaper publishing and commercial printing industries. Baldwin offers its customers a broad range of market-leading technologies, products and systems that enhance the quality of printed products and improve the economic and environmental efficiency of printing presses. Headquartered in Shelton, Ct., the company has sales and service centers, product development and manufacturing operations in the Americas, Asia and Europe. Baldwin's technology and products include cleaning systems, fluid management and ink control systems, web press protection systems and drying systems.
