Baldwin to Present at the Noble Financial 2007 Small Cap Conference and Micro Cap Symposium

Shelton, CT, August 6, 2007 -- Baldwin Technology Company, Inc. (AMEX: BLD) will present at the Noble Financial Equity Conference to be held August 20 and 21 at the Charleston Place Hotel in Charleston, South Carolina.

On August 20 at 9:30 a.m., John Jordan, Baldwin's Vice President, Chief Financial Officer and Treasurer, will give a 25-minute presentation regarding the Company, its history, products, financial performance and prospects. Mr. Jordan will also participate in a question and answer session following the presentation and in one-on-one meetings scheduled throughout the two-day conference.

The presentation with streaming video and PowerPoint presentation will be webcast live on the investor relations section of the Baldwin website at www.baldwintech.com and on the Noble conference website at www.two-007.net. Early registration is recommended (at least 15 minutes prior to the start of the presentation) to ensure timely access. The webcast will also be archived and available for three months after the presentation.

About Baldwin

Baldwin Technology Company, Inc. is a leading international distributor of printing press accessories and controls for the newspaper publishing and commercial printing industries. Baldwin offers its customers a broad range of market-leading technologies, products and systems that enhance the quality of printed products and improve the economic and environmental efficiency of printing presses. Headquartered in Shelton, Connecticut, the company has sales and service centers, product development and manufacturing operations in the Americas, Asia and Europe. Baldwin's technology and products include cleaning systems, fluid management and ink control systems, web press protection systems and drying systems. About Noble Financial Group

Noble Financial is a privately-held, full-service capital markets firm driven by what is often overlooked by other firms - uncovering the value embedded in the orphaned, undiscovered or misunderstood company. The company focuses on converting market inefficiencies into profit opportunities. Noble Financial supports emerging companies through strategic advice, investment banking, market-making, sales & trading, comprehensive equity research, and the development of institutional support. Its equity conferences - 2007 marks their third annual - allow for a unique blend of professional and personal interaction among a diverse cross-section of executives. Noble Financial has operated for 23 years and has offices in Florida and New York City.
