BALDWIN RESCHEDULES EARNINGS ANNOUNCEMENT

Shelton, CT, August 15, 2007 – Baldwin Technology Company, Inc.

(AMEX: BLD) announced today that since its new audit firm requires additional time to complete its audit of the Company's financial statements, the Company will reschedule the date of its fourth quarter and year-end earnings release originally scheduled for Thursday, August 16, 2007.

About Baldwin

Baldwin Technology Company, Inc. is a global leader in process automation technology for the printing industry. Baldwin offers its customers a broad range of market-leading technologies, products and systems that enhance the quality of printed products and improve the economic and environmental efficiency of printing presses. Headquartered in Shelton, Connecticut, the Company has sales and service centers, product development and manufacturing operations in the Americas, Asia and Europe. Baldwin's technology and products include cleaning systems, fluid management and ink control systems, web press protection systems and drying systems.
