#### **About Noble Financial Group**

Noble Financial is a privately-held, full-service capital markets firm driven by what is often overlooked by other firms - uncovering the value embedded in the orphaned, undiscovered or misunderstood company. The company focuses on converting market inefficiencies into profit opportunities. Noble Financial supports emerging companies through strategic advice, investment banking, market-making, sales & trading, comprehensive equity research, and the development of institutional support. Noble Financial's equity conferences - 2008 marks their fourth annual - allow for a unique blend of professional and personal interaction among a diverse cross-section of executives. The company has operated for 24 years and has offices in Florida, New York City and Boston.
