## **Baldwin to Present at The Wall Street Analyst Forum**

**Shelton, CT, August 25, 2008** -- Baldwin Technology Company, Inc. (AMEX: BLD) will present at The Wall Street Analyst Forum on Monday, September 8, 2008 at 10:30 am at The University Club of New York in New York City.

John P. Jordan, Baldwin's Vice President, Chief Financial Officer and Treasurer, will give a 25-minute presentation regarding the Company, its history, products, financial performance and prospects and then conduct a 15-minute question and answer session. Immediately following the presentation, the Company will meet with interested parties during a 40 minute break-out session.

The presentation with streaming video and PowerPoint presentation will be webcast live through a link on the investor relations section of the Baldwin website at [www.baldwintech.com](http://www.baldwintech.com) and through Wall Street Webcasting at <http://wsw.com/webcast/wsaf7>.

-----

### **About Baldwin**

Baldwin Technology Company, Inc. is a leading global supplier of process automation technology for the printing and publishing industry. Baldwin offers its customers a broad range of market-leading technologies, products and systems that enhance the quality of printed products and improve the economic and environmental efficiency of printing presses. Headquartered in Shelton, CT, the company has sales and service centers, product development and manufacturing operations in the Americas, Asia and Europe. Baldwin's technology and products include cleaning systems, fluid management and ink control systems, web press protection systems and drying systems and the related parts, service and consumables.

With a widely recognized reputation for advanced, high-quality pressroom technology, Baldwin has more than 100 patents as well as several GATF Intertech awards and Fogra certifications. For more information, visit <http://www.baldwintech.com>.

### **About The Wall Street Analyst Forum**

Since 1988, The Wall Street Analyst Forum has been a sponsor of four annual analyst conferences for NYSE/NASDAQ/AMEX corporations in New York, Boston and London. Our conferences support participating companies by inviting buy/sell side analyst & portfolio managers to attend while leveraging the use of three new media channels. Analyst and portfolio managers from the majority of money management firms attend our conferences while large, mid and small cap corporations present. Over 2,500 public corporations have presented.
