Press Release:

Baldwin Technology Schedules FY '09 First Quarter Earnings Release and Conference Call

Shelton, Conn. – October 27, 2008 – Baldwin Technology Company, Inc. (BLD on the NYSE Alternext U.S.), a leader in process automation technology for the global printing and publishing industry, announced today that it will release earnings for its FY '09 first quarter ended September 30, 2008 on **Thursday, October 30** before the market opens.

The company will host a conference call on the same day at **11 AM Eastern Daylight Time** to review the financial results and conduct a question-and-answer session.

To participate, **call (877) 918-9236** any time after 10:55 AM EDT. The number for local and international calls is **(312) 470-7072**. The passcode is "Baldwin Q1." Interested parties may also listen to a webcast of the call on the company's website, www.baldwintech.com.

A replay of the call will be available from one hour after the call through November 6 at 9:59 PM Central Time, at (888) 562-2793 or toll (402) 998-1450. The webcast will be available on the Company's website for 90 days after the call.

About Baldwin

Baldwin Technology Company, Inc. is a leading international supplier of process automation equipment for the printing and publishing industries. Baldwin offers its customers a broad range of market-leading technologies, products and systems that enhance the quality of printed products and improve the economic and environmental efficiency of printing presses. Headquartered in Shelton, Connecticut, the company has operations strategically located in the major print markets and distributes its products via a global sales and service infrastructure. Baldwin's technology and products include cleaning systems, fluid management and ink control systems, web press protection systems and drying systems and the related consumables.
