Press Release

Baldwin to Present at the 31st Annual Westergaard Investor Conference in New York City Nov. 12, 2008

Shelton, Conn., – Nov. 4, 2008 – Baldwin Technology Company, Inc. (BLD on the NYSE Alternext U.S.), a leader in process automation technology for the global printing industry, announced today that CEO Karl Puehringer and CFO John Jordan will be presenting at [Paulson Investment's 31st Annual Westergaard Conference](#). The conference, which features micro and small cap companies, will be held at the Waldorf-Astoria in New York City on Wednesday, Nov. 12, 2008.

Baldwin's presentation will update investors and provide an overview of the company's technologies, products and services, financial performance and trends.

The company will present four times, with start times at 9:35 a.m., 11:55 a.m., 2:40 p.m. and 4:25 p.m. During the conference Baldwin will also host small group sessions with investors and one-on-one meetings.

For conference registration information contact Paulson Conference Services at 503-243-6027 or events@westergaardconference.com.

About Baldwin

Baldwin Technology Company, Inc. is a leading international supplier of process automation equipment for the printing and publishing industries. Baldwin offers its customers a broad range of market-leading technologies, products and systems that enhance the quality of printed products and improve the economic and environmental efficiency of printing presses. Headquartered in Shelton, Connecticut, the company has operations strategically located in the major print markets and distributes its products via a global sales and service infrastructure. Baldwin's technology and products include cleaning systems, fluid management and ink control systems, web press protection systems and drying systems.
